4. Seller is aware that the Consideration being paid by Buyer hereunder may differ both in kind and amount from the amount ultimately distributed with respect to the Claim pursuant to any plan of reorganization confirmed for Debtor. Seller represents that it has adequate information concerning the financial condition of Debtor and the Case to make an informed decision regarding the sale of the Claim and that it has independently and without reliance on Buyer, and based on such information as Seller has deemed appropriate, made its own decision to enter into this Assignment. Seller is aware that information which may be pertinent to Seller's decision to assign the Claim is available to Seller and can be obtained from the Bankruptcy Court's files. Seller further represents that it is not and has never been: (a) an "insider" of the Debtor (as defined in Code Section 101(31)); (b) an employee of the Debtor, or any affiliate of the Debtor; or (c) a member of any official or unofficial committee in respect of the Case.

5. Seller acknowledges and agrees that: (a) Buyer currently may have, and later may come into possession of, information relating to the Debtor that is not known to Seller and that such information may be material to Seller's decision to assign the Claim to Buyer ("Seller Excluded Information"); (b) Seller has determined to assign the Claim notwithstanding its lack of knowledge of Seller Excluded Information; (c) Buyer will have no liability to Seller; and (d) Seller waives and releases any claims that it might have against Buyer with respect to the non-disclosure of Seller Excluded Information. Seller is an "accredited investor" within the meaning of Rule 501(a) of the Securities Act of 1933, as amended. Seller is a sophisticated investor and has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of the transactions contemplated by this Assignment.

6. If all or any part of the Claim is: (a) objected to; (b) not enforceable against the Debtor; (c) impaired by the commencement or notice from Debtor of any action or proceeding, including but not limited to any proceeding which seeks to reduce all or part of the Minimum Claim Amount or provide less favorable treatment to the Claim than other claims of the same class or type as the Claim, including the timing of Distributions; (d) setoff, disallowed, reduced, subordinated, subject to a preference action, or otherwise impaired, in whole or in part, in the Case for any reason whatsoever, including, without limitation, pursuant to an order of the Bankruptcy Court (whether or not such order is appealed); or (e) is not listed on the Schedule (notwithstanding the filing of the Proof of Claim), or is listed on the Schedule as unliquidated, contingent or disputed, or is listed on the Schedule in a lesser amount than the Minimum Claim Amount (collectively, an "Impairment"), Seller agrees to immediately repay, on demand of Buyer (which demand will be made at Buyer's sole option), an amount equal to the portion of the Minimum Claim Amount subject to Impairment multiplied by the Purchase Rate (defined in Annex A), plus interest thereon at 10% per annum from the Assignment Date to the date of repayment, provided, however, that such a demand by Buyer will not be deemed an election of remedies or any limitation on any other rights that Buyer may have hereunder or under applicable law. If the Bankruptcy Court enters an order disapproving the transfer of the Claim, or in the event that the Buyer is not substituted for Seller, Seller agrees to immediately repay, upon demand of Buyer, the Consideration, plus interest thereon at 10% per annum from the Assignment Date to the date of repayment.

7. If the Claim is ultimately allowed as a non-contingent, liquidated, undisputed, and unsubordinated claim by a final, non-appealable, order of the Bankruptcy Court ("Final Order") in an amount that is greater than the Minimum Claim Amount, up to the Proof of Claim Amount (such amount an "Excess Claim"), Buyer will purchase such Excess Claim by paying, within 20 business days of: (a) Buyer's receipt of such Final Order; or (b) Buyer's receipt of Distributions on the Excess Claim, an amount equal to the Excess Claim multiplied by the Purchase Rate. By accepting payment for the Excess Claim, Seller will thereby reaffirm, as of the date of such payment, all representations, warranties and covenants in this Assignment. Buyer will purchase

the Excess Claim, without additional payment if this paragraph would result in a payment to Seller of less than five hundred dollars.

8. For purposes of paragraphs 6 and 7 herein, in the event Buyer receives an in-kind distribution of Assets listed in Annex C on account of the Claim, whether pursuant to a chapter 11 plan of reorganization or by order of a court of competent jurisdiction, such in-kind distributed Assets will be valued at the Prices as set forth in Annex C.

9. If Seller receives any Distributions or notices with respect to or relating to the Claim, Seller agrees to: (a) accept the same as Buyer's agent; (b) hold the same in trust on behalf of and for the sole benefit of Buyer; (c) notify Buyer, at the address identified on page 1 of this Assignment, of receipt of Distributions or notices; and (d) in the case of cash, securities, or digital assets, promptly deliver the same to Buyer (free of any withholding, set-off, claim or deduction of any kind), within 2 business days to an account that will be provided to Seller upon request. If Seller fails to deliver the Distributions to Buyer within 2 business days of receipt, Seller will be obligated to pay Buyer interest on the Distributions at 10% per annum, from the date of Seller's receipt to the date of Buyer's receipt, provided, however, this interest accrual will not be deemed an election of remedies or any limitation on any other rights that Buyer may have hereunder or under applicable law. Moreover, in the event Seller receives Distributions prior to or at the time of payment of the Consideration, Buyer will have the right (at its option) to setoff (in whole or in part) Distributions against the Consideration by instructing Seller to retain all or a portion of the Distributions. To the extent that all or any part of the Claim is not able to be assigned or otherwise transferred into the name of Buyer, this Assignment shall be deemed to be a grant by Seller to Buyer of an undivided 100% participation interest in the Claim. Seller agrees to promptly provide Buyer, with copies of all correspondence in respect of the Claim, including but not limited to any notices received from Debtor. Seller agrees to promptly and fully follow Buyer's instructions regarding any notices. All demands, notices, requests, consents, and communications hereunder will be in writing and will be deemed to have been duly given if personally delivered by courier service, messenger or email at the Address specified on page 1 of this Assignment.

10. Seller agrees to indemnify Buyer from all losses, damages and liabilities, including attorneys' fees and expenses, which result from Seller's breach of any of its representations, warranties or covenants set forth herein, any obligation to disgorge, in whole or in part, or otherwise reimburse Debtor or any other person or entity for any payments received or applied by or for the account of Seller in connection with the Claim or otherwise, or any Impairment of the Claim, including, but not limited to, any action, proceeding, objection or investigation relating to any attempt or threatened attempt to avoid, disallow, reduce, subordinate or otherwise impair the Claim or otherwise delay Distributions in respect of the Claim.

11. Seller hereby irrevocably appoints Buyer with full authority and power of substitution as its true and lawful attorney and authorizes Buyer to: (a) act in Seller's name, place and stead; (b) demand, compromise, recover, and transfer to Buyer all such sums of money and securities which now are, or may hereafter become due and payable for, or on account of the Claim; (c) do all things necessary to enforce or compromise the Claim and Seller's rights thereunder or related thereto pursuant to this Assignment; (d) provide Seller's tax information required for Distributions; and (e) vote on any question relating to the Claim in the Case. Seller agrees that the powers granted by this paragraph are discretionary in nature and exercisable at the sole option of Buyer. The document annexed hereto as Annex B ("Evidence of Transfer") may be filed by Buyer with the Bankruptcy Court as evidence of this Assignment. Seller waives any notice or hearing requirements imposed by Federal Rule of Bankruptcy Procedure 3001, and stipulates that an order may be entered recognizing this Assignment as an unconditional assignment and the Buyer as the valid owner of the Claim. Seller agrees that Buyer may make corrections to any Annex that Buyer deems reasonably necessary or appropriate to effect this Assignment. Buyer will have no obligation to take any action to prove, defend, demand or take any action in respect of the Claim or otherwise in the Case. Seller agrees to execute, acknowledge and deliver all such further certificates, instruments and other documents, and to take all such further action as may be necessary or appropriate to effect this Assignment and to fully assist Buyer in enforcing the Claim and to otherwise effectuate the intent of this Assignment.

12. BUYER AND SELLER IRREVOCABLY AGREE THAT ANY ACTION TO ENFORCE, INTERPRET, OR CONSTRUE ANY PROVISION OF THIS ASSIGNMENT WILL BE BROUGHT AND DETERMINED ONLY IN A STATE OR FEDERAL COURT LOCATED IN THE CITY AND COUNTY OF NEW YORK, EXCEPT NOT IN THE BANKRUPTCY COURT ("NEW YORK COURTS"). BUYER AND SELLER IRREVOCABLY AND UNCONDITIONALLY CONSENT TO THE PERSONAL JURISDICTION OF THE NEW YORK COURTS IN ANY ACTION TO ENFORCE, INTERPRET OR CONSTRUE ANY PROVISION OF THIS ASSIGNMENT, AND ALSO HEREBY IRREVOCABLY WAIVES: (A) TRIAL BY JURY; (B) ANY DEFENSE OF IMPROPER VENUE; OR (C) *FORUM NON CONVENIENS*, TO ANY SUCH ACTION BROUGHT IN THE NEW YORK COURTS. THIS ASSIGNMENT AND ALL MATTERS ARISING OUT OF OR RELATING TO IT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ANY CONFLICTS OF LAW PROVISIONS THAT WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANY OTHER JURISDICTION.

13. Each party to this Assignment agrees that, without the prior written consent of the other party hereto, it will not disclose the contents of this Assignment to any person or entity, except that any party may make any such disclosure: (a) contemplated by this Assignment; (b) if required to do so by any law, court, or regulation; (c) to any banking, regulatory, self-regulatory, or examining authority; (d) to its affiliates, employees, professional advisors, and auditors (provided that each such person or

entity is instructed to keep such disclosed information confidential); (e) to enforce this paragraph or (f) in the case of Buyer, to any actual or prospective, assignee, or participant in respect of the Claim or any portion thereof.

14. Buyer may assign the Claim or any portion thereof, together with all of Buyer's right, title and interest in and to this Assignment, all without notice to or consent by Seller. All representations, warranties, covenants and agreements contained herein will survive the execution and delivery of this Assignment and the purchase and sale of the Claim and will inure to the benefit of, be binding upon and enforceable by the parties hereto and Buyer's successors and assigns. This Assignment: (a) if executed and delivered via email in a pdf format with electronic signatures (if applicable) will constitute an original and will bear the same binding effect as any original signatures; (b) may be executed in two or more counterparts, each of which will be deemed to be an original and all of which, when taken together, will constitute one and the same document; (c) will be read and interpreted according to its plain meaning and any ambiguity will not be construed against either party; and (d) constitutes the entire understanding (including the annexes, and other documents incorporated into this Assignment by express reference) between Buyer and Seller and supersedes all prior agreements (oral and written) between the parties. The parties expressly agree that the judicial rule of construction that a document should be more strictly construed against the draftsman thereof will not apply to any provision of this Assignment. All rights, powers, and remedies provided under this Assignment or otherwise available in respect hereof at law or in equity will be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any party will not preclude the simultaneous or later exercise of any other such right, power or remedy by such party or any other party. The invalidity or unenforceability of any provision of this Assignment shall not affect the validity or enforceability of any other provision.

15. Seller grants to Buyer to secure the prompt payment and performance in full of all of Seller's obligations to Buyer under this Assignment: (a) a security interest in all of Seller's right, title and interest in, to and under, in each case, wherever located, whether now owned or existing or hereafter acquired or arising and whether governed by Article 9 of the Uniform Commercial Code or other law: (i) the Claim; (ii) all general intangibles (including payment intangibles) and other rights with respect to, arising from or in connection with the Claim; and (iii) all Seller's rights to any Forfeiture Fund; and (b) the right to file, register and take any other action in any jurisdiction to ensure the assignment of the Claim and the attachment, perfection and first priority of, and the ability of Buyer to enforce, Buyer's security interest in the Claim and the Forfeiture Fund.
